YOUTH RANGE *Workshop*

Join other highschool students across Texas for a fun week with rangeland and natural resource experts!

Plant ID & Collection

Students will learn how to identify range plants based on FFA & 4-H contest lists and collect their own specimens to take home

Range & Wildlife Habitat Management

Students will be exposed to the fundamentals of proper grazing management and forage preferences of livestock and wildlife

Field Trips to Local Ranches

We've partnered with local land stewards to give students boots-on-the-ground experience to emphasize learning objectives
