To: Panhandle Association of Soil and Water Conservation Districts

The 2024 Panhandle Association meeting is planned for August 20th in Canyon, hosted by Palo Duro SWCD.

I want to personally encourage every district in the Association to attend the meeting. I understand everyone is busy but it is important that we take this opportunity to come together as an organization to discuss and learn about important issues facing agriculture and conservation.

The meeting will be held on August 20th in Canyon, at Creek House Honey, located at 5005 4th Avenue, Canyon. Registration begins at 9:00 am. Please RSVP for the meeting by Wednesday, August 14th at paloduro@swcd.texas.gov.

The program will be presented by George and Paige Nester on their bee keeping operation and Creek House Honey Farm.

Please make plans to attend, I look forward to seeing everyone in Canyon at Creek House Honey.

Sincerely,

Chris Urbanczyk
President, Panhandle Association
